Thank you for your patience.

- If you have an existing account use the Sign-In Section
  - If you forgot your password you can use the Reset Password function
- Use a Laptop, Desktop, or Tablet when registering. (The software doesn't work well on a cell phone)
- Processing Time
  - After submitting a registration you may see the status of "Processing" beside your submitted items - it may take some time, don't panic. The items you registered for are 100% yours.
