Mission: We are a unique camp, educational, and retreat center, consisting of a diverse group of people of faith, that provides a safe natural environment to learn about self, community and nature.

Camp Arrowhead is looking forward to hosting our 2nd Annual Golf Tournament, to be held on Saturday, May 11th 2019 with a May 18th rain date. As a children's residential and day camp as well as a retreat center, we have been serving the community since 1954. Open to any child who would like to attend, our unique de centralized program provides camping opportunities for boys and girls, 8 – 15 years old.

In our quest to improve the site and infrastructure, we have just completed a project to connect the Camp with the Sussex County Sewer District, further protecting Rehoboth Bay. Currently we are working to build a new bath house, a meeting pavilion, and replace a summer cabin. Obviously finding the funds to pay for these things while keeping tuition affordable is difficult, and our fund raising events become essential to this process.

We will again hold the benefit at the American Classic Golf Club in Lewes DE, and the staff there are excited about our second year! There will be great fun playing the games, great prizes and many familiar faces the day of the event.

We are asking our local businesses, partners and friends if consideration would be given to become a tournament sponsor, in one of the areas listed below. Our goals is to make sponsorship fun and creative in order to meet your marketing needs.

All sponsorship includes signage and copy in our printed material. Additional benefits are listed below. As a reminder, we can accept Cash Credit Cards or check payable to Camp Arrowhead, and all sponsors will receive a letter with our 501 (c)3 EIN since we are a not for profit camp.
