

# CAMP ARROWHEAD SUGGESTED PACKING LIST

Many campers use standard sized trunks, plastic tubs or suitcases, **but anything that will fit under the bunks (roughly 16") will work.** Remember they are sharing living space. We discourage plastic dressers as they take up a lot of space, are difficult to transport, and frequently fall open or break. Be sure to label everything including the luggage.

We don't provide laundry service, so pack according to the length of session attending. *Only emergency laundry can be accommodated.*

Please label everything with your camper's name (including the luggage) to make it easily identifiable. You can visit [Best Name Tape Company](http://BestNameTapeCompany.com) to order labels online.

**Camp Arrowhead is not responsible for lost or stolen articles.**
